WELCOME

TO THE 8TH ANNUAL BENDIGO CRAFT BEER & CIDER FESTIVAL

It is with a great deal of pride that we welcome you to the Tom Flood Sports Centre Bendigo for the 8th Annual Bendigo Craft Beer Festival.

The Craft Beer revolution has begun as people from all over the country change their beer drinking preferences from the major commercial brands and steadily move towards the vast array of craft beers and ciders that are now available.

With over 100 different beers and ciders to try today you can see how popular craft beers have become, in fact projections are that the craft beer industry will more than double in size within the next three to five years.

For this to happen people need to be educated in what makes craft beer what it is so while you're here why don't you put a little time away and come and meet the brewers, hear them talk about their passion for what they do.

Whilst sampling their brews also feel free to ask the brewers questions about their craft, they will be only too happy to discuss the many and varied ways they produce what they do.

The Bendigo Craft Beer Festival team would like to acknowledge and thank our sponsors for their valued input in making the day what it is; Symes Motors Bendigo, Bendigo Party Hire and City of Greater Bendigo. We would also like to thank our advertising sponsors.

Our aim is to make the festival one that you enjoy so have a great day wandering around the pop up bars tasting the many beers and ciders that are available, while feasting on some of our gourmet food, listen to some great live music, maybe even indulge in some of our games for the big kids. But most of all have a great day!

We thank you for attending and supporting the Bendigo Craft Beer & Cider Festival.

Cheers.

FESTIVAL INFORMATION

FESTIVAL CURRENCY

This year the Bendigo Craft Beer & Cider Festival will operate Square Pay system to ensure speed of service, increased security and ease of transactions at the many bars, food outlets and merchandise stalls. Most importantly reducing the wait in lines as your friends get thirsty for your round!

As such, all drinks, food and merchandise purchased at the festival will need to be paid for using Square Pay. Simply tap and pay at any vendor with your regular card or if you wish to pay by cash, you can visit the Currency Tent (refer to the Festival Map in this program) where you can purchase a gift card, upload any amount of credit and tap away!

SAFETY FIRST!

Lee Peak First Aid will be onsite for the duration of the festival, should you require medical assistance. Please see the Festival Map on page 9 for the Medical Tent location.

STAY IN TOUCH

Every year our wonderful festival continues to grow. This is thanks to your valued ongoing support.

Connect with us across our social channels and show our great community the fun we have at our annual Craft Beer & Cider Festival.

 [@bendigocraftbeerfestival](https://www.facebook.com/bendigocraftbeerfestival)

 [@bgocraftbeerfest](https://twitter.com/bgocraftbeerfest)

DON'T FORGET TO CHECK IN!

STAGE & SEMINAR TENT

Pete Mitcham (Prof Pilsner) to host the 8th annual Bendigo Craft Beer Festival, working from the Main Stage. During the afternoon the main stage will host seminars between bands including chats with some of the brewers and some special events for those wishing to explore the wonderful world of craft beer.

Stage sessions will include 'Blind Tasting' and 'Beer Pouring' competitions and during the Seminars there will be a chance for patrons to sit in on Q & A sessions. Brewers will be on hand, chatting with the hosts, telling their stories and answering questions.

Some of the topics covered in the Q & A sessions include 'How to go from Home Brewer to Commercial Brewer, Beer 101 and The Future of Beer in Australia.

Announcements will be made prior to sessions, so keep an ear open during the afternoon.

THE CHRIS COMMERFORD BAND

**MATT
KATSIS**

PROGRAM / RUNNING SHEET

SHERRI PARRY 11:30am - 12:30pm

At just 21, Sherri Parry is making a name for herself as one of the most exciting singer songwriters in the Victorian folk scene. Her music showcases both composition skills and world views well beyond her time, and her live performances are nothing but a testament to that. Delivering intimate, ethereal performances that never fail to leave audiences spellbound.

VICTOR CRIPES 12:45pm - 1:45pm

Victor Cripes delivers a distinctive lo-fi blues sound which echoes the styles of generations of blues music - from the delta masters of yester-year to the British / American revival of the 1960's. While leaning on tried and true methods, Cripes offers new chapters in the chronicles of the blues, a partnership of Australian easy groove, American thump and British tube overdrive, with an original modern twist. A lifelong musician and misfit with an intriguing 'one-man-does-everything' approach, Cripes plays the streets and the stages alongside some of Australia's most notorious blues acts.

GRIM FAWKNER 2:00pm - 3:00pm

Rambling man, Grim Fawkner, is no stranger to stages and streets across the globe and at home. The epitome of the itinerant musician, he draws together tales and musings from his travels and is as likely to deliver them in soft ballad form as he is face-meltingly intricate and upbeat roots/country/blues.

Nods to his skills as a songwriter and a performer include being voted "Melbourne's Best Busker" by The Herald Sun and popular vote, an endorsement by Cole Clark guitars, a Byron Bay Bluesfest performance, opening slots for Marcus King Band, The Waifs and The Badloves, a national tour support for Kasey Chambers Campfire Tour and opening for "Once" the musical with his own numbers. He frequently gigs and busks around Australia, New Zealand and Europe.

CHANGOTREE 3:20pm - 4:20pm

In the past year and half changoTRee have song-hopped the globe, travelling, recording, writing and performing shows in Canada, New Orleans, Texas, Ireland, New York, UK and France, as well as touring the Oz east coast. This amazing journey has culminated in the new album "Postcards From Tomorrow". The "Muse" is magical roots, blues-cruise, funky-folk with a splash of harmonies, swampy grooves with echoes of "Rasta" Reggae. ChangOTRee is fronted by a brilliant and unique male/female songwriting "extra terrestials". Its shooting acoustic 8-string, parlour, resonator guitars, mandolin, drums and percussion.

MATT KATSIS 4:30pm - 5:30pm

A relentless work/show-ethic has seen the Melbourne born and raised singer, songwriter and guitarist, Matt Katsis, take on the Australian market with the ease and quality that parallels his music. Fusing folk, blues and reggae influences, Katsis' solo performances bestows his raw vocals, chic 6 and 12-string acoustic guitars paired with an array of effect pedals and a thumping stomp box. These are all used to create his rich and lively sound heard on numerous Australian stages, festival line-ups and iconic venues.

THE CHRIS COMMERFORD BAND 5:40pm - 6:40pm

The Chris Commerford Band are a blossoming blues-rock five-piece, formed by the glittering Australian coast of the Mornington Peninsula, Victoria. Assembled by the band's namesake singer-songwriter, Chris Commerford, the refreshing outfit are captivating music fans with their bright and heartening fusion of blues, rock and jazz.

Completing the dynamic lineup is Lennie Farchione (guitar), Tearnu Graham (bass), Harry Monaghan (drums, percussion), and Sebastian Farchione (saxophone and keys). New single 'The Way You Treat Me Right' out now!

BENDIGO VISITOR CENTRE

Australia's grandest visitor centre

YOUR LOCAL BENDIGO SPECIALISTS

The Bendigo Visitor Centre is the best place to start your Bendigo experience.

- **Attractions, tours and events - discount passes and free booking service**
- **Visitor maps and guide books**
- **Connect with a local and take home a unique souvenir of your visit**

• GIFT & ARTISAN SHOWCASE • UNIQUELY *Bendigo*

Uniquely Bendigo is Bendigo's premier outlet for quality local and Australian crafted designs.

The Gift and Artisan Showcase offers an extensive collection of local, hand-made specialty pieces for sale.

BENDIGO VISITOR CENTRE

Open everyday from 9am–5pm (except Christmas Day)

51-67 Pall Mall, Bendigo T: 5434 6060 E: tourism@bendigo.vic.gov.au

ESCAPE FROM THE “SEVEN SEAS”

Get your team together (max 6) to enter and escape from the “Seven Seas”

The team who completes the mission in the quickest time gets a slab of craft beer - kindly donated by Bendigo’s best craft beer stockists HOP SUPPLY Co - to sit back and celebrate with (after the festival of course).

Go over to the Breakout Marquee to register and get your time to come back and compete.

Keep an eye on the leaderboard throughout the day.

Good Luck!

WHAT IS AN ESCAPE ROOM?

An escape room is an interactive entertainment activity where a team of players, (friends, family, co workers, etc) enter a themed room with a fully immersive story line.

For example; a pirate ship where you must find the treasure and escape.

You must solve riddles, find codes, use clues and unlock locks to escape with in 60 minutes!

BREWERS GUIDE BEER

Bells Beach Brewing

We live on the beautiful surf coast of Victoria and love spending as much of our time as possible either at the beach, in the water or mountain biking in the surrounding countryside. The rest of the time we are working hard to create surf-inspired beers to quench our thirst after a hard day of fun. Through our travels we have sampled beers from all over the world and strive to use these experiences to create beers that are a little different whilst blending in as many ingredients from Australia and NZ.

BentSpoke Brewing Co.

Since opening their Braddon brew pub in 2014, BentSpoke beers have become globally recognised and highly awarded. With a well-earned reputation gained from absolute commitment to full flavour and exceptional quality, they are not afraid of bending the rules of how beer should be made. BentSpoke Brewing Co is the brainchild of champion Australian brewer Richard Watkins and Tracy Margrain, who are passionate about quality and independent beer. Several years and accolades later, BentSpoke is firmly cemented in the Australian beer scene. Now you can enjoy BentSpoke at your local pub in many places across Australia, or grab some cans from the bottle shop for your next adventure.

Blackman's Brewery

In the surf coast town of Torquay, 500 metres from the beach, we've created a spot for you to come and taste some quality brews and catch up with your friends and family. Our all-day kitchen is open whenever we're serving you beers. We've developed this share style, beer-food menu in conjunction with Chef Mitch from Beersine to complement Blackman's hand crafted beers. Mix and match from our bites such as beer battered fish tacos or spent grain meatballs, settle in for a pizza and look out for our changing specials, like sticky beef ribs with stout jus and pulled pork bao.

Bonza Brewing

Bonza Brewing is a gypsy brewing business born and based on the Mornington Peninsula, Victoria. We are proudly 100% independent, specialising in crafting small batch, sessionable beers. Bonza has been inspired by all things adventure and outdoors with an emphasis on nature. It's an ode to staying young at heart and appreciating all the good times.

Brookes Beer

We're just homebrewers that got out of control. Our brewery is in Bendigo, an hour and a half from Melbourne. We sit in a corner of a vast rambling, comfortably old and dishevelled industrial facility in East Bendigo. We love Craft Beer and are passionate about what distinguishes us from factory beers – freshness and flavour. We brew to bring out the best of the ingredients we use to create fresh beers full of satisfying malty flavour, balanced with lifted fresh hops. Expect to see an ever changing parade of seasonal brews from us, along with reliable favourites. Visit us to see what's new in the line up.

Cornella Brewery

Cornella Brewery is based at the Shiraz Republic, a family-run vineyard, making boutique wines and craft beers in the Heathcote Wine Region. Our beers are handmade and bottled by Matt and Spencer. Visit our cellar door, bring your own lunch and enjoy a pint amongst the vines. Starting in 2016, we produce small batch, quality ales with a focus on English styles. Sharing The Shiraz Republic's philosophy of winemaking, our beer is hand crafted with quality ingredients, using natural and traditional processes.

Dainton Brewery

Dainton Family Brewery brews beers that they want to drink. Those beers are tasty and sessionable all in one! We focus on pure quality and craftsmanship whilst emphasising the struggle that it is to get a little family venture off the ground, especially when you have to argue with your relatives.

Exit Brewing

Frase and Grum first met about 15 years ago working in IT in Melbourne. We went our separate ways but wound up living in the UK and Europe for about 10 years, where we fell in love with many interesting beer styles (helped by a large number of trips to Belgium) and started homebrewing. Bored with our day jobs, we decided when we moved back to Melbourne, that we would attempt to start a brewery.

Grand Ridge Brewery

The Grand Ridge Brewery is situated at Mirboo North in the Gippsland region of Victoria as is one of the pioneers in developing craft beers in Australia since 1989. All the beers are produced to exceptionally high standards of flavour and purity, with no added chemicals or preservatives. At Grand Ridge the quality of the beer is never compromised. The mission at Grand Ridge is always to make the best beer in the world. Grand Ridge is a 100% Australian, family owned company.

Harcourt Valley

This year, along with their famous ginger beer, Ginger Kid has Fireball slushies, Vanilla Bubbegum slushies and Choc Brownie Espresso Martinis. All our drinks are naturally gluten free too!

Holgate Brewhouse

Proudly at the forefront of Australia's craft brewing movement for 20 years, Holgate Brewhouse is 100% independent and has fostered innovation and creativity in traditionally crafted beers since 1999. Co-founded by Paul Holgate and Tash Holgate, the family owned business continues to share their passion for bold balanced beers through their production brewery, brew-pub and tourism operation in the village of Woodend; just an hour from Melbourne in the magnificent Macedon Ranges!

BREWERS GUIDE BEER

Hop Nation

Hop Nation started out as a pipe dream for us and, like most pipe dreams, testing the waters with a little savings while hanging onto the day jobs was the first goal. A ton of research, pilot brews and trips to the bank later – we set up the company, came up with a brand and label concept with some friends, put down our first IPA brew and released THE FIEND back in May of 2015. As it turns out, people were pretty thirsty for THE FIEND and wanted more – always a good thing.

We were super fortunate to link up with some sweet brewing operations to gypsy brew our next four beers with – cheers Hawklers and Cavalier! – but the time came to get amongst the local brewing landscape and get our own gear and facility going.

Fast forward a couple months, we have grabbed a lease on a sweet warehouse space, Sam ploughed through a load of paper work and applications and after months of late nights and help from good friends, we were ready to open our doors in a killer spot in Footscray.

→
Inner
North
Brewing
Co
↑

Inner North Brewing Co

We are a microbrewery and bar in Brunswick producing quality beer infused with good vibes. In 2018, Inner North Brewing Co was setup on a back street off of a side street with the goal to create a vibrant place for good people to come together over a good beer. With 12 rotating taps at the brewery bar, the only thing constant in the Inner North is change as - like Brunswick - we pay homage to the past with one hand while shamelessly experimenting with the other.

Modus Operandi

Always dreaming but finally formalising the concept in 2012, it all started in a motor home traveling around the U S of A, blaring Creedence and delving deeper into the craft revolution. We discovered every nook and cranny of the USA craft beer world for six months, brewing, talking, cleaning, talking, cleaning, brewing, and yes, drinking a lot of beer (tough I know).

We returned home to our beloved Northern Beaches with heads full of beer lovin and inspired to brew the best beer in Australia. We are larrikins at heart, but when it comes to our Modus Operandi (Latin for Method of Operation) which put simply is, beer first, no shortcuts, this is where we get real. Our beer is always brewed with fresh, live yeast flown in from the USA and the finest specialty malts and hops sourced from all over the globe.

Every drop of Modus Operandi beer is brewed and packaged in our Mona Vale brewery. Every single Modus Operandi can and keg is permanently kept cold and always display a packaged-on date. This means you know you're drinking fresh, local beer. These methods of operation may cost more but, we think, the proof is in the brew.

Philter Brewing

We're all about making craft beer for everyone. Our XPA, Session Red Ale, Lager are easy-drinking gems that are your session favourites. Our IPAs are full of Hops to get the most fanatical hophead dizzy and our seasonals' are designed to be interesting and beyond the norm. Shout a jug at the pub, be the hero who brings the tinnies to the BBQ, don't take yourself too seriously. Have fun times with good mates on us.

Quality ingredients. Great Beer. No Bull\$#!&.

Shedshaker Brewing Company

Shedshaker Brewing Company is all about the simple belief that good things done well, will always make people happy and satisfied. Since 1851 Castlemaine has been famous for two things: gold and beer. We thought it was about time to bring beer back home.

Shepparton Brewery

Shepparton Brewery opened in April 2019. The brewery is owned by Matt Milsome and Daina Winch their philosophy is Brewed local, by locals, for locals (also friends, family and nice people everywhere). All our beers are brewed on site. Seven different beers running at any one time. We also run a couple of guest taps. The restaurant offers wood fired pizza, burgers, smoked and bbq meats and delicious small plates. Local wines and other beverages also available. www.sheppartonbrewery.com.au

Southern Bay Brewing Co.

Our Brewing Company was established in 1988, being re-named to Southern Bay Brewing Co. in 2005, so we have a long history in the beer business with traditional and innovative beers available. Our Beers and Ales are subject to very strict quality control and laboratory microbiology testing throughout all stages of production. Samples of each package product batch are subject to stringent Quality Control procedures before dispatch.

Our Beers and Ale' are naturally brewed. To ensure we produce the best product available, we have implemented many filters, sterilisation processes and optional pasteurisation. We want to ensure our product is at it's best and remains that way for your peace of mind. We produce great crafted beer from a dedicated team of Brewers.

St Andrews Beach Brewery

At St Andrews Beach Brewery, life is simple and uncomplicated. Located on the picturesque Mornington Peninsula, we draw inspiration from our heritage and surroundings so we can brew one of life's pleasures: craft beer.

Our 38-hectare property was where Australia's horse racing greats were trained - Makybe Diva, Mummify, and Miss Andretti have all called our stables home. Our stables are named after the champions who once resided here, and now house a new breed of champions in the form of craft beer.

A 1,200 metre race track is where you'll find 8,000 apple and pear cider trees growing alongside and hops, not horses. Our pristine farmland allows us to operate as a fully functioning farm, and brew some seriously good craft beer.

Three Greens Brewing

It all started in a Frankston basement in 1998. A young lad called Nick was taught how to brew beer by his great uncle Geoff*. On the other side of town, Luke was also learning the art of crafting home ales. Meanwhile, on the other side of the planet, Julien brought his "Kick Arse Brewing Blueberry Ale" to the world. It wasn't a commercial success.

Twenty years later, a pilot and a couple of aerospace engineers started a brewing company. Like aviation, brewing is heavily regulated, and the wafer thin margins mean there's bugga all money to be made. We make beer for the same reason we get up at 3am to work with aeroplanes - we love it!

BREWERS GUIDE BEER

Tooborac Hotel & Brewery

A Historical Heritage listed Pub that is renowned for being family friendly with a warm and inviting atmosphere. It is an ideal destination for clubs, groups and families. Only one hour journey from Melbourne along the Northern Highway or a picturesque alternative towards Sunbury turning off to go through Romsey and Lancefield.

At journeys end you will find an onsite working brewery producing award winning craft beer that compliments any food that you will dine on inside the bluestone walls.

True Brew

Would you love to brew and drink any style of beer you like without being restricted by cost or availability? True Brew is a Brew On Premises (BOP) microbrewery, we offer a selection of over 200 world class beers that YOU brew yourself using True Brew's commercial grade brewing equipment and the freshest ingredients sourced from all over the globe.

The brewing process only takes a little over an hour and after your brew ferments here at true brew for a few weeks, under the watchful eye of our staff, the result is a 100% chemical and preservatives free beer that tastes so good you won't want to go back to expensive commercial beer again.

Valhalla Brewing

Based in Torquay on Victoria's stunning Surf Coast, Valhalla Brewing is a micro brewery dedicated to honouring the craft of brewing small batch, hand crafted beers. Valhalla's beers are bold yet accessible.

We want our beers to be "seriously drinkable". That is they should be exciting and interesting to dedicated craft beer drinkers, yet also enjoyable and accessible for the average punter. We brew the beers we love to drink and love nothing better when our beers bring a little bit of joy into other's lives.

DON'T FORGET TO CHECK IN!

 [@bendigocraftbeerfest](#)

 [@bgocraftbeerfest](#)

BREWERS GUIDE CIDER

Alpine Cider

Alpine Cider is owned and operated by the Nightingale families. Alpine Cider was launched in November 2015 and is produced by using 100% Nightingale Alpine apples. Flavourful Pink Lady, crunchy Granny Smith and juicy Red Delicious apples are used to create our beautiful boutique ciders.

"Be tempted by the lady" Alpine Cider Pink Lady Sweet

"Let the lady tempt you" Alpine Cider Pink Lady Dry

"Non Alcoholic" Alpine Cider Sparkling Apple Juice

Cheers to the temptation!

Angry Cock Cider

Angry Cock Cider is made in the Yarra Valley from some of the best apples grown in the Yarra Valley. The brain child of a local Apple Orchardist and a local Vigneron, over a few drinks and a very vigorous discussion about a feisty rooster. After much in-depth research/tasting, it was decided that a special blend of Granny Smith apples for acidity and Pink Lady Apples for sweetness seemed to be the perfect mix. As a result, Angry Cock Cider is a medium dry cider that you can drink all day (and night?).

Cheeky Rascal Cider

Predicting the rise in popularity of cider several years ago, Rebello Wines branched out to create a fun and adventurous sister brand: Cheeky Rascal Cider. Cheeky is home to Australia's first 100% real fruit cider, and stands by a mantra of no artificial colours, flavours or concentrates. Its ciders are known for pushing flavour boundaries with bold blends such as blood orange, limoncello and pear (Italian Street Series), and apple, lime, mint and chilli (Mexican Street Series).

Darraweit Valley Cider

Deep in the foothills of the Macedon Ranges lies an apple orchard dedicated to cider apples and the home of Darraweit Valley Cider House. Each seasons harvest is handpicked and pressed in the cider house, with true craftsmanship applied to every small batch of cider produced. From tree to glass, every small batch is artisan-made.

Eddies Cider

The Eddies Cider range is purely the result of growing, harvesting, pressing and fermenting fresh, crisp Certified Organic apples from our 5th Generation Farm at Red Hill on the Mornington Peninsula. There are no chemical preservatives, no artificial, colours, flavours or additives. It's natural just the way nature intended!

Tin Shed Cider

Tin Shed Cider was born of the idea to use the beautiful produce from an old apple orchard in Tolmie, Victoria. The old orchard has been renovated, following organic principles, using no herbicides and only natural fertilisers. A selection of true cider apple trees is also being planted to expand the variety of apples (and ciders) available.

Our cider is a blend of apple juices; fermented, matured and bottled on site. This wickedly enjoyable cider is only available at the Cellar Door and selected Markets!
